#### • Skin Cleanser

This cleanser is a gentle emulsion of spring water, witch hazel and coconut oil, and zingy Essential Oil of Sweet Orange. pH balanced to maintain or restore the skin's acid mantle, this cleansing botanical cream will leave the skin clean, smooth and moisturised.

#### • Orange Flower Tonic

This gentle combination of pure spring water and energetic ingredients is a real tonic for all skin types. It energises with the refreshing fragrance from Essential Oil of Sweet Orange and the wonders of witch hazel support the fine tissues around the eyes.

#### • Natural Moisturiser

This cream is a delicate emulsion of spring water, coconut oil (filled with essential fatty acids), refreshing Witch Hazel and essential oil of Sweet Orange. It is designed to strengthen the skin's acid mantle and is suitable for all age groups.

#### • PH-Amino Gold Defence Lotion

Vitamin E is at the very heart of this useful and versatile lotion for face and body, which has long been popular with athletes, who have found it provides excellent protection for the skin from sun & wind damage. It is fragranced with Essential Oil of Sweet Orange and soothing Lavender.

#### • Wild Yam & Soya Cream

This cream is constructed with gently fermented soya protein, rich in twenty of the amino acids so important for cellular regeneration, and essence of wild yam. An emulsion of wheat germ oil, gently fermented soya protein, coconut oil and energy boosting extract of wild yam.

#### • MSM Tissue Repair Cream

This soothing cream is combined with sulphur rich MSM. The fourth most abundant mineral in the body, it is in every cell of our body and has been well known as a traditional therapy for people suffering from muscular aches and pains for more than 500 years.

#### • Nettle & Zinc Scalp Cream

Yin Yang Scalp Cream contains tincture of organic nettles and Zinc in an emulsion of soya protein, coconut oil and wheat germ oil, delicately fragranced with Essential Oil of Limes. Nettle has a tradition for being used for to treat baldness and scalp conditions
