YYNATROS

Rose Edition

• Skin Cleanser

This cleanser is a gentle emulsion of spring water, witch hazel and coconut oil, and balancing Essential Oils of Rose and Geranium. pH balanced to maintain or restore the skin's acid mantle, this cleansing botanical cream will leave the skin clean, smooth and moisturised.

Rose Edition

• Rose Flower Tonic

This gentle combination of pure spring water and uplifting ingredients is a real tonic for all skin types. It uplifts with the aromatic fragrances from Essential Oils of Rose and Geranium and the wonders of witch hazel support the fine tissues around the eyes.

Rose Edition

• Natural Moisturiser

This cream is a delicate emulsion of spring water, coconut oil (filled with essential fatty acids), refreshing Witch Hazel and essential oils of Rose and Geranium. It is designed to strengthen the skin's acid mantle and is suitable for all age groups.
